TRADEMARK SECURITY AGREEMENT

This Agreement is made as of October 27, 2010 by and among The Scoular Company, a Nebraska corporation (the **“Debtor”**), and Wells Fargo Bank, National Association, a national banking association, for itself and as administrative agent (in such capacity, the **“Secured Party”**) for the Lender Parties, as defined in the Credit Agreement described below.

Pursuant to a Credit Agreement (together with all amendments, modifications and restatements of such agreement, the **“Credit Agreement”**) dated October 27, 2010 among the Debtor, the several banks and other financial institutions from time to time party thereto as lenders and the Secured Party, the Lenders and certain other Lender Parties have agreed to make advances to and issue letters of credit for the account of the Debtor.

As a condition to extending credit under the Credit Agreement, the Lenders required the execution and delivery by the Debtor of a Security Agreement (together with all amendments, modifications and restatements of such Agreement, the **“Security Agreement”**) dated October 27, 2010, pursuant to which the Debtor grants the Secured Party a security interest in certain of the Debtor’s personal property.

Pursuant to the Security Agreement, the Debtor is required to execute and deliver this Agreement to the Secured Party.

ACCORDINGLY, in consideration of the mutual covenants contained in the Credit Agreement, the Security Agreement and this Agreement, the parties hereby agree as follows:

1. Definitions.

Terms defined in or pursuant to the Security Agreement and not otherwise defined herein shall have the meanings given them in or pursuant to the Security Agreement. In addition, the following terms have the meanings set forth below:

“Specified Trademark” means each of the Trademarks listed on Schedule A, together with all divisions, foreign counterparts, renewals and extensions thereof.

“Trademark” means any trademark, service mark, collective membership mark, and registration or application for registration of any trademark, service mark or collective membership mark, together with the goodwill associated therewith.

“Trademark Collateral” means all right, title and interest of the Debtor in and to the following, in each case whether now owned or hereafter acquired or arising:

- (i) All Trademarks, including the Specified Trademarks.
- (ii) All accounts and other rights to payment (including but not limited to payments of royalties) arising from or relating to any Trademark.
- (iii) All rights to recover for all past, present, and future infringements, dilutions, pre-issuance recoveries and other violations of Trademarks.
- (iv) All present and future license agreements with respect to the Trademarks.
- (v) All proceeds of any and all of the foregoing;

provided, however, that **“Trademark Collateral”** shall not, in any event, include Excluded Property.

2. Grant of Security Interest.

In order to secure the Obligations, the Debtor hereby confirms and acknowledges that it has granted and created (and, to the extent not previously granted under the Security Agreement, does hereby irrevocably grant and create) a security interest in the Trademark Collateral.

3. Representations and Warranties.

The Debtor represents and warrants that the Debtor owns each of the Specified Trademarks, free and clear of any Lien other than Permitted Liens.

4. General Rights and Obligations.

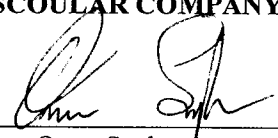

Except as expressly set forth herein, the rights and obligations of the Debtor and the Secured Party with respect to the Trademark Collateral shall in all respects be governed by the Credit Agreement and the Security Agreement, the terms of which are incorporated as fully as if set forth at length herein.
